PROJECTS

Graphic Design Projects

- Developed a series of promotional posters for a local community event, showcasing strong typography and engaging visuals.
- Created a logo and brand identity for a fictional start-up, considering the target audience and market trends.
- Designed a user-friendly mobile app prototype, incorporating intuitive navigation and eye-catching visuals.
- Produced graphics and illustrations for a student-led publication, displaying versatility in style and visual storytelling.
- Collaborated with senior designers to assist in creating marketing materials such as brochures, flyers, and social media graphics.
- Contributed to brainstorming sessions and offered creative ideas for various design projects.
- Assisted in photo editing, retouching, and colour correction to enhance the visual appeal of images.
- Designed book with typographic and design skills.
